EDUCATION

Addis Ababa University (AAU)
Bachelor of Science in Statistics
Graduated: June 2026 | CGPA: 3.1/4.0
Relevant Coursework:
• Statistical Computing & Regression Analysis
• Categorical Data & Time Series Analysis
• Experimental Design & Research Methodology
• Probability & Statistical Inference
• Sampling Techniques & Multivariate Analysis
• Stochastic Processes

TECHNICAL SKILLS

Statistical Programming
R, Python, SPSS
Data Visualization
R (ggplot2), Excel Charts, Data Dashboards
Quantitative Methods
Portfolio Optimization, Monte Carlo Simulation, Bootstrap Methods, Time Series & Multivariate Analysis
Tools
Excel, SQL (Basic), HTML/CSS/JavaScript, Git/GitHub

LANGUAGES

Amharic — Native
English — Professional Working Proficiency
Arabic — Basic Comprehension

CORE COMPETENCIES

- Statistical & Quantitative Analysis
- Project & Stakeholder Management
- Team Leadership & Coordination
- Financial Data Analysis
- Report Writing & Data Storytelling

REFERENCES

Available upon request.

FITSUM ASEGAHEGN

STATISTICS GRADUATE | DATA ANALYST | RESEARCHER
PROJECT LEADER | STUDENT COUNCIL PRESIDENT

PROFESSIONAL SUMMARY

Statistics graduate from Addis Ababa University with hands-on experience in portfolio optimization modeling, multi-level leadership, and applied research. Built a Markowitz Mean-Variance portfolio tool for 9 Ethiopian banks using 7 years of panel data. Served as Student Council President for 2,500 students, led a 12-member graduation committee delivering three events for 600 graduating students, and coordinated university-wide programming for 6,200 students as a Student Union member. Comfortable moving between statistical modeling, financial data analysis, and stakeholder-facing project leadership.

LEADERSHIP

- Student Council President**
Addis Ababa University

 - Elected to lead and represent 2,500 students, overseeing a 7-member student council.
 - Organized initiatives that improved student engagement and welfare.
- AAU Discipline Committee**
Committee Member

 - Served on the university disciplinary committee representing the broader AAU student body.
 - Upheld academic integrity and student conduct standards.
- Student Union Member**
Addis Ababa University | 2025 – 2026

 - Represented my college's 2,500 students in the university-wide Student Union, collaborating with council presidents from other colleges.
 - Coordinated a university-wide event reaching 6,200 students across all AAU campuses.

EXPERIENCE

Data Collection & Research Intern June 2025 – August 2025

- East African Trading House PLC
- Conducted field data collection and quality assurance for retail market research projects.
 - Cleaned, validated, and structured research datasets for statistical analysis and reporting.
 - Assisted in interpreting research findings to support business decision-making.
- Key Achievement: Recognized with a Certificate of Completion and Letter of Appreciation for outstanding performance.**

Research & Software Development — Bank Portfolio Optimization 2025 – 2026

- Bachelor's Thesis Project, AAU Dept. of Statistics
- Built a Markowitz Mean-Variance portfolio optimization model across 9 Ethiopian commercial banks using 7 years of ROE panel data (FY2017/18–FY2023/24).
 - Developed an interactive web-based calculator (HTML/CSS/JavaScript) for automated portfolio allocation.
 - Validated results with bootstrap methods, Monte Carlo simulation, and forex stress testing in Python and R.
 - Calculator: fitsum-asegahegn.github.io/markowitz-calculator/
- Key Achievement: Produced a data-driven investment framework contextualized to Ethiopia's 2025/26 Forex Liberalization policy.**

Graduation Committee President 2025 – 2026

- Addis Ababa University
- Led a 12-member committee delivering 3 university graduation events (Culture Day, Farewell & Game Day, Graduation Package) for 600 graduating students in my college.
 - Coordinated committees, photographers, designers, vendors, and university offices.
 - Supervised financial verification and transaction reconciliation across all events.
 - Secured sponsorships and managed yearbook, ribbon, and binder production end-to-end.
- Key Achievement: Delivered all three events on schedule with transparent, fully reconciled financial records.**

Research Assistant (Academic Project) 2024 – 2025

- Designed and analyzed survey data; performed statistical analysis using SPSS and R.
- Applied sampling techniques and produced research findings supporting evidence-based decisions.

Private Tutor — Mathematics & Statistics Since Grade 9

- Tutored primary and secondary students in Mathematics and Statistics.
- Developed personalized study plans that improved exam performance.
